“
My apartment faces south-southwest.
Every morning I get a beautiful sunrise, and I
have sun all day long. In the winter, it's 20 degrees
warmer out there than it is downstairs. In the summer,
the sun is above me, so it doesn't get too hot. I can use
the terrace many, many months.”

Supermodel Irina Shayk reportedly paid \$6 million for a 1,987-square-foot, two-bedroom apartment in the new condo development 150 Charles Street. The unit has a private terrace, large great room and a gourmet kitchen.
